

Creating From the Future

Hi

Most of us make decisions based on where we are today. But what if you started making decisions as if the future you want was already here?

That's the idea I explore in my latest blog—*Creating From the Future*. Inspired by a client's bold vision (and a story from my dad back in the 80s), I share how this shift in perspective can change the way you lead and grow.

See where it takes you!

Much Love

Peter
